# Everything you need to sell tickets

& More

It's YOUR Ticket Sales Page - Take it to a whole new level!

1. Turn Your Ticket Sales Webpage into a QR Code to use in Advertising
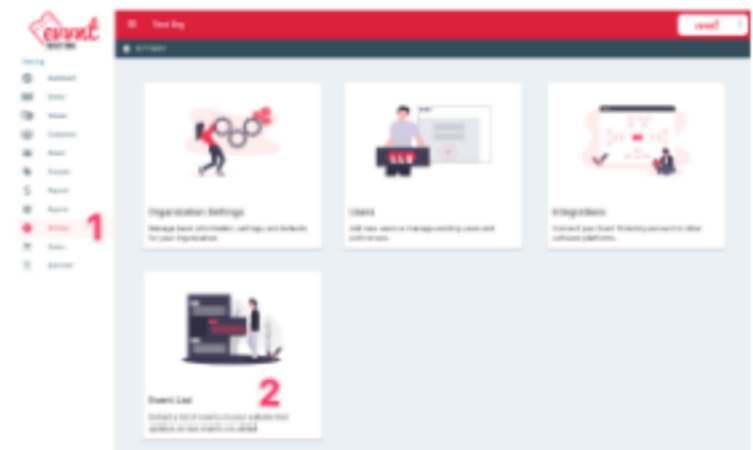

Great for walk-up sales - guests scan the QR code from your signage to buy tickets from their phones

How? 1. Pull up the ticketing page in the Google search bar and click the QR code icon on the right side.

2. Turn Your Event List into a Widget for YOUR Website

The code is ready and waiting for you in your tickets dashboard. It auto-updates when you add new dates or opportunities.

3. Bookmark the Evvnt Resource Center for step-by-step instructions

Sync with MailChimp

Use the Evvnt app to scan tickets on-site

Create promo codes or gift cards

Add a donation option

Create an event with a floor plan

Send an email broadcast

TICKET SET UP & MANAGEMENT IS FREE

Each ticket has a 4% + $1.50 service fee plus a 2.5% processing fee - paid by the Ticket Buyer
